2019 SAN ANTONIO TEXPREP YEAR 1 APPLICATION

Welcome to the 2019 San Antonio Prefreshman Engineering Program registration!

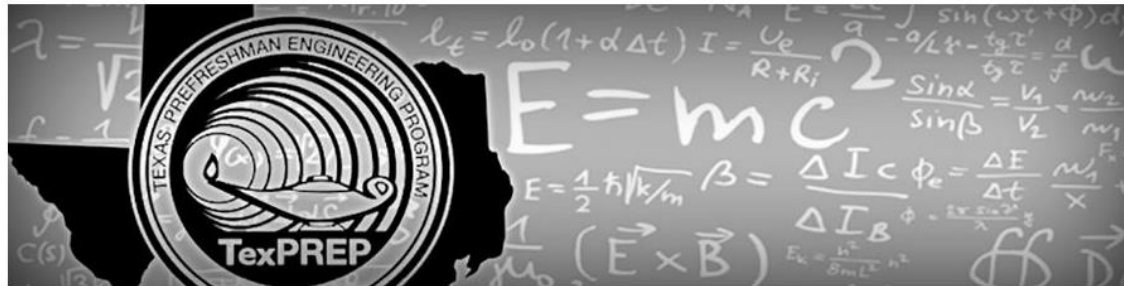

Please read the following instructions carefully.

- **This application must be completed by using a desktop computer or laptop in order to upload the required documents (no mobile devices or tablets). If an application is submitted without all documents, it will be considered incomplete.**
- Before you begin, please check the [P20/PREP](#) web-page for program requirements and documents and have all documents scanned and ready to upload. Please make sure all students qualify for the program and have all needed documents. You will not be able to complete the application until you have all documents.
- Every student is required to submit a current report card. A report card is the document given by each school to report a student's numerical grades for a specific six or nine week term. Parent portal snapshots, progress reports, or other documents are **not** acceptable.
- If you are a parent registering on behalf of your student, you **MUST** selected that you are "registering on behalf of this person" and must use a different email address than the student.
- If you are registering more than one student in the same TexPREP year, you will have the option to add another student at the end of the first application by clicking on "Add Person." **Every student will need their own unique email address**, and all must be different from the parent's email address.
- You can save this application at any time and return to it using the student's email address used to register.

Once you are ready to begin, please click the register button.
