- Upon entrance at the parking garage, you will receive a parking ticket. You can park in any unmarked spot in the parking garage.
- Please do not lose this parking ticket since you will need to present this ticket, along with a validation card, at our cashier or pay station to validate your parking **BEFORE** you exit the parking garage.
- At check-in you will receive a validation card for your parking in the [Ximenes Ave Garage](#).
- Please do not lose your validation card or parking ticket.
- An attendant is **NOT** available to validate your parking ticket on the way out of the garage.
- **Your parking ticket must be validated before you return back to your vehicle.**
- **Our team recommends that you bring a dolly or cart to transport your materials. This will facilitate your walk from the parking garage to the check-in site directly north of the parking garage.**
