2021-2022 Admissions Updates

Admissions Requirements	<p>ACT/SAT scores: <u>UTSA is suspending SAT/ACT requirements through Summer 2023.</u> We understand taking the SAT and ACT may be particularly hard. If a student hasn't taken the SAT or ACT, it will not prevent UTSA from evaluating their application for general admission. If they have taken the test, they should send official test scores directly to UTSA using the SAT or ACT portal. Note: while ACT/SAT is not an admissions requirement, these may be used as an exemption for the TSI exam. For a complete list of TSI exemptions, review the list at: testing.utsa.edu.</p> <p>TSI scores: <u>TEA</u> has changed the format of the TSI exam in January 2021. Reading and Writing is now combined into one ELAR section and passing score criteria has changed slightly. More details found at https://future.utsa.edu/tsi. Contact Testing Services at testinfo@utsa.edu, review the testing website at: testing.utsa.edu.</p> <p>SRAR: <u>The</u> Self-Reported Academic Record (SRAR) lists all courses and associated grades that have been attempted, or will be attempted, for high school credit. SRAR will replace the required 6 semester high school transcripts used during the initial admission review process in most cases. All freshman applicants, with a few exceptions, will enter their courses, grades, class rank (if provided on transcript), and graduation plan in the SRAR. Learn more about SRAR at: https://future.utsa.edu/srar/</p>

In-Person Campus Tour, Virtual Visits & Virtual One-on-One with an Ambassador Experience	<p>Effective Fall 2021, COVID permitting, UTSA will offer in-person campus tours at the Main Campus and select tour dates at the Downtown Campus with precautions to ensure a safe visit. We are unable to accept walk-up guests for any in-person tours. All guests must pre-register whether for in-person or virtual visits. We also offer an on-demand Virtual Tour that prospective students and guests can enjoy from the comfort of home at any time. We also encourage prospective students to take advantage of a One-on-One chat with a UTSA Ambassador who will share their personal experiences as to why UTSA is so special.</p>
Virtual Events and Resources	<p>UTSA offers many virtual events to help students through the process. There are Information sessions on Applying, Financial Aid, Transferring, Honors, On-Campus Housing, Military Affiliated Students, College of Engineering and Integrated Design, along with other Academic areas as available. Visit https://future.utsa.edu/visit for dates and times. For Counselor and Advisor Updates, visit https://future.utsa.edu/counselorresources/ for more details.</p>
Connecting with your UTSA Admissions Counselor	<p>We have a dedicated page where you can find information on all of our Undergraduate Admission staff including your Admission Counselor or Transfer Specialist. You can visit this page at future.utsa.edu/contact.</p>
Financial Aid and Scholarships	<p>Students are encouraged to fill out the FASFA using our school code 010115. Learn more here: https://onestop.utsa.edu/apply</p> <p>FASFA and TASFA opens October 1st. Priority deadline to submit your FASFA/TASFA is January 15th for Fall and November 1st for Spring.</p> <p>To learn more about scholarships, visit https://future.utsa.edu/scholarships/</p>
Orientation	<p>We look forward to transitioning all new incoming students to UTSA during Orientation. New student orientation is a university requirement. Admitted students should login to their ASAP student portal account and click the "Future Roadrunner" tab to find a link to sign up for an available in-person or online orientation and their orientation academic advising appointment date. Students must pay the orientation fee of \$136 by credit card during orientation sign up in order to confirm their orientation. Pell eligible students will have the option to defer the fee to their student tuition and fees bill. Please visit future.utsa.edu/orientation for the most up-to-date information about new student orientation. Important Note-Post Bacs, Readmits, and/or Special Admits should not complete orientation (<i>please do not direct students admitted in this category to sign up for orientation</i>).</p>
