

Virtual UTSA Family Engagement Workshops

WORKSHOP OVERVIEWS:

College 101-Promoting a College-Going Culture

Objective: National research has indicated parent involvement as a strong predictor of student success. Empowering parents to action through knowledge will further enable parents to have a positive impact on their child's future. What can you do to help promote a college going culture for your children in elementary, middle and high school that will encourage them to reach higher? What do other families do to encourage this? Discuss this topic to learn some practical ideas and share your own ideas. This session will require 1 hour.

Targeted Audience: Families with elementary school students

Engaged Families : Home Math and Literacy Practices

Objective: National research has indicated parent involvement as a strong predictor of student success. Empowering parents to action through knowledge will further enable parents to have a positive impact on their child's future. Parents are a child's very first teachers and your home is your child's first classroom. What can you do at home to support your child's success in literature and mathematics? How can you encourage learning at home while making it fun? What do other families do to encourage this? These questions and others will be addressed and discussed in this session. This session will require 1 hour.

Targeted Audience: : Families with elementary school students
