

Roadrunner for a Day: FAQs

Please take a moment to review the information below that may be helpful in planning your visit to UTSA to participate in the Roadrunner for a Day program, hosted by UTSA Community Outreach. There is general information, as well as information specific to each campus.

CHAPERONES: For campus tours, we REQUIRE 1 chaperone per every 10 students. Chaperones must stay with students for the presentation and activities.

CANCELLATIONS: For cancellations, please notify our office at least three business days in advance. We receive countless requests for campus tours and try our very best to accommodate everyone. If you are not able to keep your scheduled tour as requested, we may not be able to reschedule the tour. Campus tours that are cancelled due to inclement weather will be given priority to reschedule.

LATE POLICY: Please contact UTSA Community Outreach at (210) 728-6364 if you are running late or lost. If unexpected schedule changes occur the day of the visit, all scheduled activities may not be possible.

ASSISTANCE: If someone at your school/organization needs special assistance with mobility, please contact our office at least one week prior to your visit.
